notes from the first speech

What the class as a whole needs to improve on

- body movement too much movement, or not natural positions
- verbal fillers (ummm, so , you know, uhhh,) happens because you are trying to catch up to where you are in the speech and also regional tendencies

Things that the class as a whole did well

- eye contact
- good projecting voice

notes for the second speech

Jokes and relatable storys are good to start speeches jokes have a possibility of tanking, storys

- three mins for speech
- dont take too long for the demistration while not talking
-
